Component Mission

The Office of the Director of National Intelligence (ODNI) Deputy Director of National Intelligence for Intelligence Integration (DDNI/II) serves as the Director of National Intelligence's (DNI) senior leader for intelligence integration across the IC enterprise. DDNI/II is responsible for ensuring customer outcomes by leading advances in collection and analysis that ensure the quality, timeliness, and utility of insights for the nation's decision-makers. Additionally, DDNI/II is responsible for increasing expertise and improving tradecraft at all levels through specialization, integration, and collaboration. DDNI/II is responsible for the strategic vision, direction, and planning to deliver a more integrated IC reflecting the collective wisdom of our collection and analytic components to advance, in support of the National Intelligence Managers, the Unifying Intelligence Strategies (UIS).

Major Duties and Responsibilities (MDRs)

- Assist the STIC Chair with leading interagency teams of analysts in conducting analysis and supporting national intelligence collection initiatives.
- Advise senior ODNI and IC leadership on global S&T issues in support of NIO/S&TI and NIO/Tech projects.
- Represent the NIC, NIO/S&T, NIO/Tech, and the STIC at meetings, conferences, and other fora to collaborate and exchange knowledge related to global S&T capabilities and threats.
- Draft and contribute to the coordination of authoritative IC assessments, briefings, or other tailored products as necessary on global S&T issues in response to Congressionally Directed Actions, Questions for the Record, and other requests from policy makers and military decisionmakers.
- Brief policymakers, military decisionmakers, members of Congress, and other major stakeholders, as necessary on global S&T issues.
- Help to manage the Science and Technology Expert Partnership contract and contribute to other NIO/S&TI and NIO/Technology outreach efforts.
- Build and leverage diverse collaborative networks within the ODNI and across the IC.

Mandatory and Educational Requirements

- Demonstrated capability working collaborative programs.
- Excellent research, analysis, and written and verbal communication skills
- Knowledge/experience collaborating with foreign partners.
- Ability to work effectively with, and within, all organizational levels and structures, including with senior leadership.
- Knowledge of the IC's S&T structure, resources, and customers.
- Experience drafting and collaborating on IC analytic assessments.
- Creative problem-solving skills and initiative in carrying out mission responsibilities.
